No. 19-1796C

**DEFENDANT'S UNOPPOSED MOTION  
FOR LEAVE TO FILE REMAND DECISION VIA ELECTRONIC FILING SYSTEM**

Pursuant Rule 7(b) of the Rules of the United States Court of Federal Claims (RCFC), defendant, the United States, respectfully requests leave to file the remand decision electronically, via the Court's CM/ECF system.

On April 17, 2020, the Court remanded this case to the United States Department of Defense (DoD) until August 17, 2020, pursuant to 28 U.S.C. § 1491(a)(a) and RCFC 52.2(a), “so that the agency may reconsider the aspects of the procurement challenged in this protest action.” ECF No. 203. On August 11, 2020, the Court extended the remand period until September 16, 2020. ECF No. 218. DoD has concluded its reconsideration of the procurement.

RCFC 52.2(d) requires that “[w]hen the action directed under a remand order is completed, the administrative or executive body or official to whom the order was directed must forward to the clerk for filing 2 copies of the final decision or other action taken.” In the interest of providing the substance of the decision in a timely fashion to the Court and to counsel, the

United States respectfully requests leave to file the Source Selection Decision Document electronically, via the Court's CM/ECF system. Because the document contains protected material, we intend to file it under seal. *See Second Amended Protective Order, ECF No 109.*

For these reasons, we respectfully request that the Court permit the filing of the remand decision, under seal, via the Court's CM/ECF electronic filing system. Counsel for plaintiff, Amazon Web Services, Inc. (AWS), and defendant-intervenor, Microsoft Corporation (Microsoft), have indicated that neither AWS nor Microsoft oppose this motion.

Respectfully submitted,
